

HHSC - MAC Financial Q3 2017 (April - June 2017) Revenue Notice

To: MAC Participating Early Childhood Intervention Programs:

Each quarter, Health and Human Services Commission (HHSC) authorizes Fairbanks, LLC to input Early Childhood Intervention (ECI) revenue allocation data into the State of Texas Automated Reporting System (STAIRS). Due to a technical issue the Revenue Data for the Q3-17 MAC Claim is delayed. Once the Revenue Data has been received, reviewed and uploaded by HHSC, Fairbanks will send out notice to open Steps 4-7 in STAIRS.

At this time, this is just to notify our ECI MAC providers of the Revenue Data delay. The close date for Q3-17 still remains October 13th, 2017. Please ensure all financial data has been entered up to Step 4 to assist in no further delays of your MAC Financial Claim. Should HHSC deem an official extension be necessary a separate notice will be sent out to all ECI MAC providers.

If you have any questions regarding MAC financials and submission, please contact the HHSC MAC team at MAC@hhsc.state.tx.us or 512-462-6200.
